The Document Verification Service used by the USI system accepts any one of the following valid Australian forms of ID: Driver's license, Medicare card, Australian passport, visa (with non-Australian passport), birth certificate (Australian), Certificate of Registration by descent or Citizenship Certificate
- In instances where a student does not have access to one of the above forms of ID or where information from that ID document is not accepted by the Document Verification Service, they are required to contact the Institute who will then contact the USI Registrar.
- EEI is obliged under the legislation to obtain the student's permission and will not be able to access the USI system without declaring that it has the permission of the student.
